

- ★ Robust Steel body with Color Changeable Technology
- ★ No mercury or other hazardous materials
- ★ Built with Quality Driver and 2835LED Chip
- ★ 50,000 hours life with 5 years warranty
- ★ Can be ceiling mounted
- ★ PC Lens with high lumen output
  
- ★ IP20 & IK08 with white finish

### Applications: Indoor

### Specifications

UGR19

Replaces		
Part Code	BARC12X6TPB58W	
Trade Price		

Luminescence	Light colour	3000K / 4000K / 6500K	
	Ra, Consistency		
	Luminous flux	5,800lm	
	UGR	<19	
	Accent Lighting	Yes	
	Warm up time	Instant	
	Dimmable	No	

Technical	Power input (50-60Hz AC)		
	Power factor & Current	>0.9	
	Lamp type	2835	
	Fire rated	No	
	Working temperature	-25-40 C	
	Construction	Steel & PC	
	IP & IK rating	IP20 & IK08	

Efficiency	Energy Efficiency Label	E	
	EC(Energy consumption)	58w	
	Lifetime	50,000H	
	Building Regs - Part L	Yes	
	Warranty & LMF at EoL	5 Years, 50%	
	Switching cycles	10,000X
